Yuh

I thought I did but I guess I really didn't bitch  
I don't give a fuck about nothin but my chicken strips  
I count em up then I drive into the distance  
I tell a nigga I don't give a fuck in an instant  
"We couldn't see you sir", the cops hatin' on my tint  
I got the elite kit, best money ever spent  
They see my chain and wanna know how much I really spent  
I look back and tell 'em, "more than you could reckon with"  
Do you got your shit together? I'm just checkin' bitch  
I'm out in Cali, but still on this Memphis shit  
I stay on Go, don't get smoked with who you smokin' with  
Im shootin' off a nigga lips if he talkin' shit  
I caught him lackin in the Telli with a tinder bitch  
She set him up now she got a Cuban bracelet  
She wanna link, I add her to this waitin' list  
Bitch you number one thousand and eighty-six  
I'm in Miami at The Lickin for the shrimp again  
We at the Tootsie's eatin dinner with her stripper friends  
I'm in the Double R, I switched another car again  
I'm at the Soho House they only let the members in  
I won't help no one out, I don't believe in havin friends  
I'm finna kick her out, she aggravated me again  
I don't give a fuck about nothin' but them dividends  
I'm with Cheechy getting geeky every weekend  
I'm smoking gas I don't smoke no fucking weed pen  
I'm stackin cash, bitch you still stackin wheat thins  
She look back and said I hope we get to speak again  
If he think he did it better he can think again  
I'm up on the top floor, smoking in the ocean wind  
He think he tough ok lets drop him in the ocean then  
These niggas fishy imma cook him like a Yellowfin  
Bitch I do sushi, drop wasabi in his eye lid  
You either dumb or suicidal if you try again  
She mad as fuck cause she found out I lied again  
Imma put some shit together imma tie the ends  
Imma catch a nigga lackin with his fashion friends  
Fuck nigga don't want no smoke stick to vavin bitch  
Bitch my shooter got an apron he be bakin shit  
I'm up in the block and bust a bitch, bro just make it quick  
My youngin put a ski mask on his Chrimuh list  
I fuck every single bitch you see him clubbin with  
You just a guy friend, I'm a late night tip
