Xavier Wulf

Bitch, catch me slidin', ridin', hidin' weed from my bitch
Niggas sneak, talkin' shit 'bout me, and I hear 'em, bitch
Come up to my face if you really mad as fuck
Boy, I'll fuck you up so bad, they goin' to say "What the fuck?"
"

Everytime a hater see me, he still say "What's up?"
"Bitch, I remember you. Now you lookin' scared as fuck
Oh, hell to the nah, don't think you gettin' away"
Fuhrer struck across his face and then he ran away
Jekyll, Jekyll, Hyde, Jekyll hide from the Wulf
Ho, you know I'm crazy like I'm Edgar Allan Poe
Catch me at the store with a grocery list
Longer than a damn bridge cause I'm eatin' good, bitch
