

Since 98

Xavier Wulf

I put bidness in my schedule
Don't bother my reciprocal
My shit come original, his shit lookin' to reprice
I hop up I'm on the move, I push and pull to make it through
I pull up, I tell the truth: I've never fucked with any of you

Winchester [?], they kicked me off vessel (yeah)
Used to wait tables, nigga want guacamole extra (yeah)
At the U of M selling Addy to professors (yeah)
20 bands on me I might sign up this semester (uh)
Hollowsquad the coffin fleet, Above the Law Records
Niggas better Google me, I been applyin' pressure

See me slidin', puffin' through the dark, they think I'm Noah from the ark
[?], I don't think he gon' find a spot
I think this, I'm thinking not, I think that he just [?] a shot
She gon' show me what she got, I think she know I know she hot

We got the same 'fit on, but Doctor Jeffery fresh' (uh)
I'm riding with' yoi bitch, nigga, I saw the shit you text her
It's 20 bands on me, I might sign up this semester (uh)
And I'ont gotta graduate I'm already successful (leggo)
Ross and Holmes, Jefferey put the bosses on (yeah)
Pinky ring on, put my crosses on (yeah)
I'm with' a [?], you niggas need a loan (uh)
House full o' baddies like a foster home (leggo, leggo)
I'm taking care of bitches like a chaperone (yeah)
I'm fucking with them Scorpios and Capricorns (yeah)
These niggas flexin' bitches they didn't even bought
To each his own (uh), I should'a known nigga
