

## Snowmen

Xavier Wulf

Ice bling, Ice snow, Ice  
Ice man, Ice on me, Ice cream Ice dream  
Ice on my feet, Ice man, Ice me  
Ice man, Ice me, Ice man, Ice me  
Snowmen Ice me, Ice man Ice me  
Snowmen Ice me, Snowmen Ice me  
Snowmen Ice me, Ice man Ice me  
Snowmen Ice me, Ice man Ice me

Packages from overseas  
Charging up my solar beam  
Sparkling water SodaStream always keep it close to me  
Looking at the screen let me show you how I feel  
I'll see you stand still Let me show you what I mean  
Let me, breathe you, walking on air  
I don't see you but I know you're there  
I don't need you, as it shows you care  
I don't need to, black skin white hair  
Windwaker got a windbreaker  
Heartbreaker got a pacemaker  
Windwaker got a windbreaker  
Heartbreaker I got a pacemaker  
Born in October, pink plastic soldier  
As I got older, my spirit got colder  
Faced the cold shoulder, sub zero polar  
Forget my existence, when my life is over

Ice bling, Ice snow, Ice  
Ice man, Ice on me, Ice cream Ice dream  
Ice on my feet, Ice man, Ice me  
Ice man, Ice me, Ice man, Ice me  
Snowmen Ice me, Ice man Ice me  
Snowmen Ice me, Snowmen Ice me  
Snowmen Ice me, Ice man Ice me  
Snowmen Ice me, Ice man Ice me

Blood blade purple shades why am I alive?  
Upgrade money keep smoking till I'm high  
Lifetime solitude God can be so cruel  
But I know if I get money I get everything new  
Dreams come true do you think about me too  
I got Gucci on my shoe I got you googling my crew  
I am better without you, cut your head like its a fruit  
Ice men, Ice you, Ice man, Ice you
