

## Switch Man

Xavier Wulf

I got one question...  
And I got only one question...  
And that only question is...  
Who the fuck is any of you? Bitch  
Who the fuck is you? [x6]  
Bitch

All I see is targets all in front of me  
I'm harmful as can be you best stay off of me  
I'm swinging ten tons like a feather piece  
I do it easily I'm either smoking blunts or I'm angry  
I don't give a damn about nobody  
You trying to test on me?  
I'ma break your pride very easily  
This is to the mainstream industry  
I'ma cut you all and I put that on my fleet and me  
Bitch, man get the hint, I'm cold like Ip Man  
You niggas weaker than I was when I was six, man  
Bitch I'm Switch Man pull the blade up with my left hand  
Then I swing just like this and then that's it, man  
All I see is blood where the river be  
I dropped down to my knees cause it's because of me  
Führer show no mercy, I show coffin fleet  
Now you understand why I never be  
Bitch I see the truth like it's in front me  
His bitch too dumb for me  
I can tell she's stupid by the shit she tweet  
I don't let no hoes get up under me  
I'd rather smoke some weed with my squad as we remember peace  
Bitch
