Finding you is the hardest thing
Keeping it all together, that's a whole thing entirely
Finding you is the hardest thing
Keeping it all together, that's a whole thing entirely

Don't cry to me, don't lie to me
Don't swear to God I changed
'Cause nothing will remain the same
We turn the pain into the rain

Finding you, making you
Making sure you are amused
Finding you, making you
Making sure you are amused
