

FEELING NICE

Xdinary Heroes

Hey, what you talkin' 'bout?
You tryin' to kill my vibe?
Meotdaero nae seon wireul
Chimbeomhaji all the time
You see, I'm on the rise
Imi there ain't no doubt
Neon geujeo mokgyeokjana hae
Just go, "Oh, my God"

Feeling nice, feeling nice
How you like all that ride?
Cause I'm on fire, can't deny
Feeling nice, feeling nice

Nuga mwora jijeodo
No matter what you say I'll never notice
Heumjibeul naeryeo hamyeon halsurok
I kinda love it, 'cause I'm locked and loaded
Carving out my way
Upon the fastest lane
So keep on calling me insane
That's how I like it, feeling nice, feeling nice

Stop giving it up, giving it up, giving it up, giving it up now
Now aren't you feeling me?

Myeot beoneul ttodasi
Eopjilleo geop eopsi
Ain't gonna keep my ego undercover
You, you, you, hitting me harder
You, you, stealing my colors
To you, coming like thunder
Don't you dare to hide

Feeling nice, feeling nice
How you like all that ride?
Cause I'm on fire, can't deny
Feeling nice, feeling nice

Nuga mwora jijeodo
No matter what you say I'll never notice
