Chasing down all your alibi

I'm going to find hidden clues again  
Oh, it's a matter of time  
I won't miss it  
The moment you let your guard down, you'll be on the ground

Hold tight  
The moment when your heart tightens and your breath stops  
The moment I meet you in a dark dream  
It's in the palm of my hand  
A rat trapped in poison  
Tonight, don't run away  
I'll go all the way  
I got you, Freddy

Just break it harder  
Towards you, I run again  
I'm getting closer  
Faster, I'm running (Oh-oh, oh-oh)  
Give it up, give it up, stop right there  
Give it up, there's no way out anyway  
Abandon the thought of running away  
I'm waiting to catch you all day

Freddy, Freddy, Freddy  
Don't you know I'm ready
