

Good Enough

Xdinary Heroes

Climbin' up to reach your land, never done
At the end I'm pulled away, chances gone

Is it gravity or ocean wind that always bring me back
Wanting you, let's be true, 'cause it's you

Just let me wave to you, not wave goodbye
Let me stay by your side
'Cause it's good enough
Yeah, it's good enough for me

Don't let me go back to darkness of blue
As long as I'm with you
I want nothing more, nothing more, nothing more
'Cause it's good enough, good enough, good enough

Going back and forth and reaching for
The place I know that seems so far
Where you'll put your arms around my heart
And keep me warm all through the night

It's not gravity or ocean wind that always bring me back
Wanting you, I'll be true, it's just you

Just let me wave to you, not wave goodbye
Let me stay by your side
'Cause it's good enough
Yeah, it's good enough for me

Don't let me go back to darkness of blue
As long as I'm with you
I want nothing more, nothing more, nothing more
'Cause it's good enough, good enough, good enough

Ah-ah-ahh, ah-ahh, ah-ahh
Ah-ah-ahh, ah-ahh, ah-ahh
Ah-ah-ahh, ah-ahh, ah-ahh
Ah-ah-ahh, ah-ahh, ah-ahh

You'll never find (Ah-ah-ahh, ah-ahh, ah-ahh)
This story of mine (Ah-ah-ahh, ah-ahh, ah-ahh)
(Ah-ah-ahh, ah-ahh, ah-ahh)
(Ah-ah-ahh, ah-ahh, ah-ahh)
