

If you know you know
 Tell me if you wanna ride
 Faster than a speed of light
 Only we can get it right (Get it right get it right)

If you know you know
 Tell me if you wanna ride
 Faster than a speed of light
 Only we can get it right (Get it right get it right)
 If you know you know

I see it in your eyes
 Don't wanna fight this feeling
 Just let it override
 Fastened, we locked in yeah

Look where the stars align
 Lights gleaming off the ceiling
 Come on let's take a ride
 Far beyond the skylines

Ecstatic
 Light speed automatic
 We don't drive by we dive in
 All the way down that cosmic drop

Like like like woah stop
 Love it when you make that beat rock
 Rolling with galactic wolves
 Push and pull
 I'm a freak on a beat like uh

If you're asking me
 Where I wanna be oh
 Somewhere out of reach
 Place beyond my dreams
 It's one of a kind
 Out of this time oh na nana
 But baby only if you

If you know you know
 Tell me if you wanna ride
 Faster than a speed of light
 Only we can get it right (Get it right get it right)

If you know you know
 Tell me if you wanna ride
 Faster than a speed of light
 Only we can get it right (Get it right get it right)
 If you know you know

Global astro vehicle
 Yeah we do it nonstop to the SAIKO
 And that means 'til the U-N-O in U-F-O
 But if you knew maybe you would know?

Every planet I'm on

Imma do what I want
I don't talk when I walk
Say and it's done
Like I already won
Sayonara I'm gone

Ah woo swoosh
Yeah that's facts
Give me that boost
With a lil bounce back
Hey do my dancey dance
If you come at my girls
Imma throw some hands like

Take you to outer-space
We make it levitate
Fly through the interstate
'Cause we go up up up
Yeah we elevate
And we ate like a dinner plate

If you're asking me
What's beyond the deep oh
Come and take a leap
Just follow my lead
It's one of a kind
Out of this time oh na nana
But baby only if you

If you know you know
Tell me if you wanna ride
Faster than a speed of light
Only we can get it right (Get it right get it right)

If you know you know
Tell me if you wanna ride
Faster than a speed of light
Only we can get it right (Get it right get it right)

If you know you know
Tell me if you wanna ride
Faster than a speed of light
Only we can get it right (Get it right get it right)

If you know you know
Tell me if you wanna ride
Faster than a speed of light
Only we can get it right (Get it right get it right)
If you know you know

IYKYK ah
