

## NEW DANCE x XDM

XG

To the X To the X  
All the lit girls get down  
With the X hey

Slide with my girls to the party  
We ain't come to bother nobody  
We just came to have a good time  
Movin' our body body

See me gettin' down on the floor  
I walked into da show  
I just learned a new dance  
They ask me how I do that

Stepped on the floor and I'm killin' 'em  
All the cute boys want to dance with me  
I'm getting 'em  
I just put my hands up on my hips  
And I do a little step with my feet like this

Don't you get too dizzy tryna keep up with me  
I be movin' too fast like whiplash  
I blow past yo girlfriend  
Yeah we get it down with the get down  
If you don't know how to do it, then just sit down
