

SHOOTING STAR

XG

Yeah a huh
Yeah XG

Everything I do I do it A1 flawless
Make'em go insane pandemonium riot
Always looking fresh
Got that green in my diet
Head to my toes
Shinin' like canary diamonds

We dem cool kids nothing to it
Going stupid saucin'
We a movement
Never losin'
Making moves stay poppin'

Baby if I give it my all will it pay off
Working overtime no days off
All these shooting stars in the dark
All these shooting stars in the dark
Make a wish

Taking off from the ground it's amazing
So outta this world
I'm in space
Now I'm going up
Headin' to the stars
Wouldn't trade it out for another life no

Yea we ridin' ridin' ridin' on up
So shinin' shinin' shinin' for sho
Woo ah I'm lookin' so lavish
Woo ah put in work like it's a habit

It's a big move everyday's like a dream
Makin' big moves yeah we do it for our team
Woo ah I'm lookin' so lavish
Woo ah yea I bet you can't imagine

I be the one huh
Don't need to stunt huh
Cuz we coolin' suit and boot it just for fun
You couldn't run up on me I'm too outta this world
I got that spaceship jumpin' ready for my launch

I don't care if I'm a brat
I'm just goin' dumb
I ain't tryin' to fire shots
But they doin' nothin'

I know they watching me
I'm what I want to be
Nobody touching me
I've got this energy

Baby if I give it my all will it pay off
Working overtime no days off

All these shooting stars in the dark
All these shooting stars in the dark
Make a wish

Taking off
From the ground it's amazing
So outta this world
I'm in space
Now I'm going up
Headin' to the stars
Wouldn't trade it out for another life no

Yea we ridin' ridin' ridin' on up
So shinin' shinin' shinin' for sho
Woo ah I'm lookin' so lavish
Woo ah put in work like it's a habit

It's a big move everyday's like a dream
Makin' big moves yeah we do it for our team
Woo ah I'm lookin' so lavish
Woo ah yea I bet you can't imagine
Oh you rockin' with a dream team
Comets droppin' when we hit the scene
Oh you rockin' with a dream team
We shootin' from another galaxy

And you know we take it all the way
Lights and camera action
It's just how we live
Don't get it twisted this ain't child play
Just know that XG's
Going all the way

Yea we ridin' ridin' ridin' on up
So shinin' shinin' shinin' for sho
Woo ah I'm lookin' so lavish
Woo ah put in work like it's a habit

It's a big move everyday's like a dream
Makin big moves as I should cuz I'm a queen
