

## UP NOW

XG

Going up now, up now  
Make 'em all mad 'cause I'm up now  
Driving uptown, uptown  
Baby in her bag, she a baller  
Yeah, I'm up now, up now  
Doing my dance, going up, down  
Saying, "What now? What now?"  
Baby, I'ma do what I wanna

Look at this, what a view  
I'm a trending topic when I walk into the room  
Sitting on a beach somewhere in the Malibu  
When I'm crushing with my girls, they the ones I'm gonna choose (Not you)

Spoil me like royalty, like I'm a queen, yeah  
Step up in it, then I kill it, RIP, yeah  
Independent, always winning energy like  
At the peak, I don't need another scene

So tell me what you want  
Talking upper echelon, yeah, yeah  
High fashion in Milan (Look at that)  
Ooh, la, la, la

Got my nails done  
Went and got my hair done  
Everything did, I'm one up, one up, one up  
A stunner, stunner, oh, I'm

Going up now, up now  
Make 'em all mad 'cause I'm up now  
Driving uptown, uptown  
Baby in her bag, she a baller  
Yeah, I'm up now, up now  
Doing my dance, going up, down  
Saying, "What now? What now?"  
Baby, I'ma do what I wanna

(Up, up, up, up, up, up, up) Up, up, up, up, up, up (Up now)

I got that glitter and gold  
Pop out, I'm striking a pose (Say "Cheese")  
I send 'em Xs and Os  
Blowing a kiss, oh, yes, I d-d-d-did

Tight fit, running like it's fitness  
Baby, I'm a gift, merry summer Christmas  
Uh-huh-type shh on bikini outfits  
Gettin' whole lotta tan on a whole lotta sand

So tell me what you want

Sexy, cool, or nonchalant, yeah, yeah  
Time for a level up (Look at that)  
Ooh, la, la, la

Got my make-up  
Went and got my game up  
Everything doub', I'm one up, one up, one up
