

Aquí No Hay Pena

Ximena Sariñana

Aquí no hay pena
Aquí no hay dolor
Aquí no hay pena
Aquí no hay dolor

Nothing to be shamed about
Nothing to be shamed about
Wouldn't you like to hear
That there is nothing to be shamed about

Nothing to be scared about
There is nothing to be scared about
Wouldn't you like to fell
There's no one you should be scared about

These are the words that I was listening to

Pero tu voz me levanta
En este mundo dividido
Si me dejó la esperanza
Tu sálvame del olvido

Nothing to be scared about
There is nothing to be scared about
Wouldn't you like to hear there is
Nothing you should be scared about

There is a long way to go
Still is a long way to go
Stop telling us to turn it down
'Cause we don't wanna take it slow

Who know the words that I was listening to

Pero tu voz me levanta
En este mundo dividido
Si me dejó la esperanza
Tu sálvame del olvido

Mija ya no llores
Listen girl, you got this
Mírame a los ojos
I know you can do this

Mija ya no llores
Tu llanto es el nuestro
Si nada nos detiene
Contigo me sostengo

Aquí no hay pena
Aquí no hay dolor
(Aquí no hay pena)
(No hay dolor)
Aquí no hay pena (ohhh)
Aquí no hay dolor (ohhhh, ohhhh)
Aquí no hay pena (ohhh)
Aquí no hay dolor

(No hay dolor)
Aquí no hay pena (ohhh)
Aquí no hay dolor (ohhhhhh)
Aquí no hay pena
Aquí no hay dolor
