

Bitter love

X:IN

Oh-oh-oh, X:IN

You say you love me, now
You want me, now
An ilgeun mesijie tto mwo hani
Dapjangeun eopseo geunde jom gunggeumhae
You're not my type but I can't decide
I don't believe in love
Mot igineun cheok bada julkka hae
Yojeumttara wae yeollagi eopseo?

Why can't I get you out my head
Ijeya neol wonhaneun bitter love
Ijeya neol-

Bitter love, bitter love
Ne saenggagi na, bitter love, bitter love
I've never, no, nobody to love my love
No, nobody but now I love
Bitter love, bitter love
Naegero wa bitter love, bitter love
Itjana neon neomaneun jom dallasseo
Itjana neon neomaneun nal anajwo

Gireul geotda utgo inneun neol bwasseo, oh, my
I saw you on a date with my friend
The smile you used to give just me
Baby, now, I'm lost and I just cannot believe now
Maeumi eomneun jul aranneunde
Anieonna bwa na eotteokae

Why can't I get you out my head
Ijeya neol wonhaneun bitter love
Ijeya neol-

Bitter love, bitter love
Ne saenggagi na, bitter love, bitter love
I've never, no, nobody to love my love
No, nobody but now I love
Bitter love, bitter love
Naegero wa bitter love, bitter love
Itjana neon neomaneun jom dallasseo
Itjana neon neomaneun nal anajwo

I don't want to be without you
Stayed up all night thinking about it
We could've had it all but, bad timing
But boy, she won't fit you like I do
Well, what feels way too hard to get (Oh-oh-oh)
In the end turns out to be the sweetest (Oh-oh-oh)
No holding back, yeah
Won't let you go away, yeah
We're meant to be, so come to me, babe

Bitter love, bitter love
Naegero wa (Wait, wait, wait, wait), bitter love, bitter love
I've never, no, nobody to love my love

No, nobody but now I love
Bitter love, bitter love (Shine and shine and shine and go away)
Naegero wa bitter love, bitter love (Shine and shine and shine and go away)
Itjana neon neomaneun jom dallasseo
Itjana neon neomaneun nal anajwo

Bitter love, bitter love (Where is true love; shine and shine and shine and go away)
Naegero wa bitter love, bitter love (Where is true love; shine and shine and shine and go away)
Itjana neon neomaneun jom dallasseo
Itjana neon neomaneun nal anajwo
