Sometimes I feel like nothing, please don't think I'm stupid  
Where are you going?

Where am I going?  
Tonight is darkest

My pupils have widened, I can't hide it, it's me (Slay)  
If it's dancing, it's dancing, if it's singing, you know, it's me (Slay)  
If we compare you and me, what's there to hurt except for the heart?
