

Walnut House

Xiu Xiu

Think about it before you spray paint "don't worry mom"
On the dumpster of the nursing home they have as many eyes as a
pineapple
I am the dumbest bitch on the planet
On the second floor landing sweating buckets
My arm pits are like black moons shaking at the end of
A cord my leather daddy dancing very near like a sweetheart would
Hurting my butthole like a sweetheart would
Oh, oh it's a little titmouse
Ah, ah little chickadee
Oh, ooh it's little ruddy duck
Don't worry mom
