

I Push It Harder

Xmal Deutschland

Here I am
In a malice world
Scenes of torture
That make you scream

But I push it harder
I push it harder
No price too high
I push it harder

Here I go
Through a hungry world
Sounds of anger
That make you run!

But I push it harder
I push it harder
I won't give in
I push it harder

Hier bin ich
Auch in deiner welt
Wie ein derwisch
Tanz' ich um dich

I push it harder
I push it harder
No price too high
I push it harder
I push it harder
I won't give in
I push it harder
No price too high
I push it harder
I push it harder
