

APOCALYPSE

Xov

No time to waste, namaste
I'll think on the way, just pray for me
I'm letting go
Of things I can't control
This is a game of give and take, aha
I will make up for my mistakes
I'm letting go
I'm letting go

Nothing can stop us now
No
No one can hold us down
No apocalypse
No apocalypse

This is a good catastrophe, aha
Might hold the keys to set you free
Inside you know
It's powerful
Some of us are made for this
Yeah we're prepared for it
Up from the depths of a black abyss
Apocalypse, apocalypse

Nothing can stop us now
No
No one can hold us down
No apocalypse
No apocalypse

Mend my broken wings
I've paid for my sins
I beg of you
I beg of you
Running out of fuel
Stubborn as a mule
Refuse to lose
I refuse to lose

Nothing can stop us now
No
No one can hold us down
No apocalypse
No apocalypse

Nothing can break our will
Power
No one can change our fate
No apocalypse
No apocalypse

Nothing can break our will
Power
No one can change our fate
No apocalypse
No apocalypse

Yeah
