Runnin', you're always runnin'  
Lookin' for somethin' you don't know  
Haunted, you're feelin' haunted  
By the past and all of its ghosts

I can see the sharks in the flood  
Sha la la la la  
They're out for your blood  
Sha la la la la  
Eat or be eaten you wonder  
In a sea of monsters

When your head's under water  
Dark water, black ocean  
When your head's under water  
Dark water, black ocean

Emotions, so much emotion  
You don't know what to do with yourself  
An ocean, you've cried an ocean  
And you're too proud to ask for some help

I can see the sharks in the flood  
Sha la la la la  
They're out for your blood  
Sha la la la la  
Eat or be eaten you wonder  
In a sea of monsters

When your head's under water  
Dark water, black ocean  
When your head's under water  
Dark water, black ocean

You wanna know the matter  
Fuck the haters, fuck [?]  
Sky rocket like Apollo  
Don't drown in that sorrow

I can see the sharks in the flood  
Sha la la la la  
They're out for your blood  
Sha la la la la  
Eat or be eaten you wonder  
In a sea of monsters

When your head's under water  
Dark water, black ocean

When your head's under water  
Dark water, black ocean
