Ghost

Xov

Bang bang, with the devil's gun
She shot me
Man down, it's a hut and run
You got me

Was it all a lie?
Did you ever want me?
In your arms, I died
Won't let you haunt me

You are the ghost I can't forget (oh-ah, oh-ah)
You are the ghost inside my head (oh-ah, oh-ah)
Oh oh oh, you are the ghost I can't forget
Oh oh oh, you are the ghost, ghost

Bang bang, don't wake the dead
Forget you
I'm him with the dragons head
I'll get you

Was it all a lie?
Did you ever want me?
In your arms, I died
Won't let you haunt me

You are the ghost I can't forget (oh-ah, oh-ah)
You are the ghost inside my head (oh-ah, oh-ah)
Oh oh oh, you are the ghost I can't forget
Oh oh oh, you are the ghost, ghost

Dead lock, an endless loop
So many games without the fun
I'm out, fuck you
Here's a bullet and a gun

Was it all a lie?
Did you ever want me?
In your arms, I died
Won't let you haunt me

You are the ghost I can't forget (oh-ah, oh-ah)
You are the ghost inside my head (oh-ah, oh-ah)
Oh oh oh, you are the ghost I can't forget
Oh oh oh, you are the ghost, ghost
