

## Trojans

Xov

Can't get my mind off her  
She's all I can think of  
She's the only one in the world  
Who's had my heart hand-cuffs

Hard as it may  
I'll get my baby back once again, hallelujah

I know it's stupid of me  
But I need it you see  
To believe there is hope  
I won't lose her

It's just emotions  
Inside my soul like trojans  
Bleeding my devotion  
Traacherous emotions  
Poisonous emotions  
Inside my soul like trojans  
Bleeding my devotion  
Limitless emotion  
Limitness emotion

I fear for her night and day  
(What) if she's caught up in danger  
Hope she comes to this darkest place  
So I can swoop in and save her

How psychotic of me  
Yeah I'm fucked up, you see  
I trip, I go mad here without her  
What if my baby  
Is too shy to speak  
Lord, give her grace  
Amen, Amen

It's just emotions  
Inside my soul like trojans  
Bleeding my devotion  
Traacherous emotions  
Poisonous emotions  
Inside my soul like trojans  
Bleeding my devotion  
Limitless emotion  
Limitness emotion
