

Feels So Good

Xscape

Uh Uh Uh Uh

Yeah

Shit

Yo

This Xscape

For the 9-5

You know how they do

So lay back kick it

And let's get live

Ladies, how often do you have

A man that makes you wanna cry

A man that makes you wanna laugh

Sistas

Well I think I've found the one

That does everything I like

And knows how to get the job done

He makes me

Clap my hands

Stomp my feet

Every little thing that you do to me

Feels so good

Feels so good

Clap my hands

Stomp my feet

Every little thing that you do to me

Feels so good

Feels so good

Ladies

Never have I felt this way before

He makes me feel so good

He keeps me wanting more

He makes me feel

So good So good

From my head to my toes

All the things that this man does

Everyone should know

And I

Don't ever wanna lose this feeling

His love is real

I'm willing to stay right by his side

Cause I know he'll always be mine

The way he touch me

Makes me lose my control

And when you have a man like that

Love dictates your soul

He makes me Yeah

Clap my hands

Stomp my feet

Every little thing that you do to me

Feels so good

Feels so good

Clap my hands

Stomp my feet

Every little thing that you do to me

Feels so good

Feels so good

This is for those that like to pop the trunk and let it bump

Bump, Bump

This is for those that like to pop the trunk and let it bump

Bump, Bump

This is for those that like to pop the trunk and let it bump

Bump, Bump

This is for those that like to pop the trunk and let it bump

Bump, Bump

Clap my hands

Stomp my feet

Every little thing that you do to me

Feels so good

Feels so good

Clap my hands

Stomp my feet

Every little thing that you do to me

Feels so good

Feels so good
