

Deeboudaebeedoe

Xtreme

I always think about you baby
Because you love me so much (maybe)
And I am here to stay all day long
To sing for you this sweetness of my song...
Daabou deeboudaebeedoe
Doudeeboudabouda
Doudeedoudadou deedoudadou
Deboudabouridudadou... dedoudouda
Whenever I'm with you my dear
It's like I've lost all my fears
I love the way you are
I'm touching every star
Daabou deeboudaebeedoe...
