

Yeah

All of my days all of my doubts all of my greed  
All of the talk all of my thoughts all of my team  
All of these clowns who run around throughout my town  
All of my losses been found, and I'm killing em' now!

I'm Killin' Em' All, I'm Killin' Em All!  
I'm Killin' Em' All, I'm Killin' Em All! (Yeah!)  
I'm Killin' Em' All, I'm Killin' Em All! (uh)  
I'm Killin' Em' All, I'm Killin' Em All!

I'm killing em' all, killing any my flaws  
All my victory's flawless as I finish em' off  
Handle all of these frauds, like I'm cancelling cards  
I'm a pull the plug on everybody involved  
I'm killing em' all, no feelings involved  
Riding through yo' hood with no ceiling on car  
Six cylinders roar, slippers gripping the floor  
Haters hatin' the way I get they bae through the door  
I'm killing em' all, I'm killing em' all  
Make em' drop, shut up shop, like I'm killing a mall  
Make em' discontinue all of the venues where I perform  
As I enter my new form, you niggas have been warned, that...

I'm Killin' Em' All, I'm Killin' Em All!  
I'm Killin' Em' All, I'm Killin' Em All!  
I'm Killin' Em' All, I'm Killin' Em All!  
I'm Killin' Em' All, I'm Killin' Em All!

Yeah! Red Dots on negative on bullshit, uh  
Headshots on pessimist bullshit, uh  
Leg lock your lack of motivation, and  
Snap you out your fakeness, the fact is hate is breaking us down  
All this heavy ice making me drown  
Laser the town, get yo block razed to the ground  
Kill off all of my passengers now look, I am the captain  
I'm killin' off all that cappin', you braggin' before it happens, No-no  
Kill complaining and comparing if someone better  
Practice over Perfection, Preparation over Pressure, uh-huh  
I'll kill em' all, I.K.E.A., put it together  
Never see em' again, R.I.P. forever, Uh!

I'm Killin' Em' All, I'm Killin' Em All!  
I'm Killin' Em' All, I'm Killin' Em All!  
I'm Killin' Em' All, I'm Killin' Em All!  
I'm Killin' Em' All, I'm Killin' Em All!

Killin' em' all killin' em all yeah  
Killin' em' all killin' em all yeah  
Killin' em' all killin' em all yeah  
Yeah. Killin' em!

I'm killin' em all, killin' yo dogs, niggas know how I'm a put it down  
Get on the court, I'm a go ball, like i just put on the hoodie now  
Out wit my Cast shooting movies now, Ride wit' the Mob and I'm Goodie now  
My Buzz got ya bitch on my Woody now, It's been a while, now look around

Back when the club was going up on a Tuesday  
Warner made a monster of me like Doomsday  
Killed the Kid From Kansas, made the franchise lose faith  
Came back, Too Late. Now you gotta  
Kill em' all over, I got that symbiote flow, I'm spittin'  
Venom all over, deliver envelope notes  
How I'm addressin' my ruined perspective lack of aggression  
This pessissm that's been having me stressing, Fuck Depression!  
I got shadows to battle, Six Sinister villains  
I got places to travel, I got feelings I'm healing  
I got buildings I'm building, doubts come revealing, I kill em'  
Never stay in no system. Never playin' no victim  
XBOX, I still play on, the Kicks still "Fei Long"  
Sometimes we roll J's, But the Game's all I blaze on  
Nothin' much changed but the bullshit we ain't on  
I'm Killin' Em All, even though they won't stay gone. Nah...

I'm killin' em all I'm killin' em all I'm killin' em all I'm killin' em'!  
No feelings at all, I'm killin my flaws I'm takin my dreams and fulfillin em  
Only ridin' wit the realest ones, To the top I'm buildin' em'  
Black ballers I'm killin' em', real talk now here I come!  
(Wooo) I'm killin' em all I'm killin' em all I'm killin' em'!  
No feelings at all, I'm killin my flaws I'm takin my dreams and fulfillin em  
Only ridin' wit the realest ones, To the top I'm buildin' em'  
Black ballers I'm killin' em', wait until Million Villains
