It's up to you bro, you wanna do one more?
Man, I got it. We can do that

Make Up For Lost Time
Time We Wasted When We Were Apart
Make Up For Lost Time
Time We Wasted When We Were Apart

Make up time, no, wake up time!
We in the game, boy you playin' round in lay up lines
Pay no mind to haters who ain't talkin' bout no bread
Put some dollas on yo head, make you change yo mind
Yeah, Hol' up, hol' up, got some hoes who wanna roll up
Tell em' bring they own controllers, Lost Boys don't ever grow up
Jacket wit' the roll up, pop the collar when I show up
Drop the top, in parking lots, I see a cop, and do a Donut
My aura from the floor up ain't made up, this no Sephora
Chillin' hittin' reefer by Reefs in Bora Bora
Got all of my homies touring, we was walking towards this
Zone, talking on cordless phones, hitting up forums
Thanos with Glove when I snap. But what it cost?

Make Up For Lost Time
Time We Wasted When We Were Apart
Make Up For Lost Time
Time We Wasted When We Were Apart

Ya'll doin' P.R., I'm doin' a Puerto Rican
I was down in D.R. just kickin' it for no reason
Writing what I believe in, trying to find the freedom
I once did when I was young kid just dreaming
Never thought I would hit the lotto, but did it bigger
Than the kids that I know, I got the drive, time to the throttle
Niggas tried but I didn't follow, They ended up with
A foot in they mouth, homie, no Mr. Socko
Wrestling demons like hell in a cell
Little voices in my head tryna tell me to fail. They never prevail
I know just how these bitches plan doing me
Close the doors, I'll crack the windows of opportunity
Try to bring me down, the elevator ain't moving me
Put it out of order like a Tarantino movie scene
You cannot afford to even take it to a new extreme
Every verse I do truthfully, is it cool if we

Make Up For Lost Time (yeah yeah)
Time We Wasted When We Were Apart (that's all I want!)
Make Up For Lost Time (that's all I need, just a little time...)
Time We Wasted When We Were Apart (to make up...)

Vizzy! Win Money!
We back at it man, and we ain't stoppin'
You hear dat?
