

## Tunnel Vision

xv

I did it, you dreamed it, now live it, you seen it  
I did it, I can't see a thing with this thing called Tunnel Vision  
From life to living, it's nice but is it 'cause hoes think I'm like panty hose  
Running up in women, it sucks that I'm so driven  
And I don't fucking listen, I got a living room I'll never live in  
Got a home that I've never been in, on the throne that you'll never sit in  
Lose sight of my life every night that I get on the mic 'cause I'm on a mission  
I'm falling, mom calling, can't answer, recording  
She says that she thinks I'm a void and I tell her I'm not  
Then what do you call it? Gone and I ain't coming home  
I know it feels so wrong, I wish that I could see you but honestly, I just don't  
'Cause I am in my zone, I turn everything off so they ask me what I'm on  
And I just tell 'em Tunnel Vision, Tunnel Vision, Tunnel Vision, Tunnel Vision  
I ain't seeing y'all, this is what I call Tunnel Vision

I love her, she knows it, I told her, she just wish I showed her  
But I can't user share my heart and zip it in a folder  
Go down her, upload her, my console console her  
She says I don't dial up so why is the connection slower?  
Baby, keep your weapon lowered, I used to X and O her  
Now she thinks I need my space so I just exit row her  
I'm in the sky with a window seat but I don't know why 'cause my eyes don't see  
Anything but the dream that I try not to peek but I think I'm falling  
She calling, can't answer, recording, she says that she thinks I'm a void  
And I tell her I'm not then what do you call it? Gone and I ain't coming home  
I know it feels so wrong, I wish that I could see you but honestly, I just don't  
'Cause I am in my zone, I turn everything off so they ask me what I'm on  
And I just tell 'em Tunnel Vision, Tunnel Vision, Tunnel Vision, Tunnel Vision  
I ain't seeing y'all, this is what I call Tunnel Vision, Tunnel Vision, Tunnel Vision  
Tunnel Vision, Tunnel Vision, I ain't seeing y'all, this is what I call Tunnel Vision

I ain't on a rich high, I am on a po' low, call that shit my high horse  
My life like Hidalgo all I wanted was vacations where we all go  
Now I'm left in places, vacant spaces, where did y'all go?  
I'm falling, I'm calling, please answer, I promise  
Tunnel Visions keeps me a void and I said that I'm not?  
Then what do I call it? Gone and I ain't coming home  
I know it feels so wrong, I wish that I could see you but honestly, I just don't  
'Cause I am in my zone, I turn everything off so they ask me what I'm on  
And I just tell 'em gone and I ain't coming home  
I know it feels so wrong, I wish that I could see you but honestly, I just don't  
'Cause I am in my zone, I turn everything off so they ask me what I'm on  
And I just tell 'em Tunnel Vision, Tunnel Vision, Tunnel Vision, Tunnel Vision  
I ain't seeing y'all, this is what I call Tunnel Vision
