XXXTentacion

Hey

Spend time waitin' for you  
You know I'd die before you  
Realized, long before you  
You know I tried with you, know it  
Real love, know I saw you  
Said you can't hide beneath your  
Pain, I seen it with my eyes

Duh, duh-duh, duh, duh  
Duh, duh-duh, duh, duh, hey  
Duh, duh-duh, duh, duh  
Duh, duh-duh, duh, duh  
Duh, duh-duh, duh, duh  
Duh, duh-duh, duh, duh, hey  
Duh, duh-duh, duh, duh  
Duh, duh-duh, duh, duh

Spend time waitin' for you  
You know I'd die before you  
Realized, long before you  
You know I tried with you, know it  
Real love, know I saw you
