

Blasted

XXXTentacion

Yeah
Yeah, yeah, yeah
Yeah, yeah, yeah

Ayy, brace as you feel the cold like the winter snow
I flew in December defeating my slumber
I'm drowning and you'll never know
Blasted, blasted, want the pressure, pressure
Among the lord, succumb to me under pressure, ayy
Brace, look at the slits on my wrist
Look at the blood in my piss
Cold as my heart, tend to get better at this
By the time when I wasn't just cold from the start
Grabbin' the K with intentions, you bust it, but niggas be jumpin'
And plus if you add it up, add it up, put it up in yo' heart
Pussy, might find yo' heart

Ayy, ayy, blasted, blasted, ayy
