She told me, "Bae, I know you miss me, why you still pretendin'?"
Louis loafers and Fendi and different colors matchin'
She leave her house like she winnin' a fuckin' beauty pageant
And when she older, she told me she wanted to be an actress
Keep that spray in that condo in case a nigga actin'
She got some issues, she told me her daddy beat her 50
And she tried to do strippin', but I guess it wasn't fittin'
Now she fucks with these fuckers, she just want the dollar bills
Fuck it when this shit is real, bitch, you know it's real
