

HEARTEATER

XXXTentacion

Heart eater, why'd you eat my heart alive?
Still breathing, why you looking so surprised?
Heart eater, try but you will not suffice
Heart eater, why'd you eat my heart alive?
Still breathing, why you looking so surprised?
Heart eater, try but you will not suffice

Ooh, you're poison
Poison, filled with poison
Fill my veins with poison
Poison, filled with poison

Heart eater, why'd you eat my heart alive?
Still breathing, why you looking so surprised?
Heart eater, try but you will not suffice
Heart eater, why'd you eat my heart alive?
Still breathing, why you looking so surprised?
Heart eater, try but you will not suffice
