No te preocupes, me gustan mayor  
Girl, you know you got me feeling you the way you move  
Baby, bring you closer and let me show you what to do  
Move it side to side, I know you want a drink or two  
Let me have your body, let me show what I can do  
Mami, eres tú quien me provoca  
Cuando chupa ella sí se pone loca  
Hazlo lento pero quítate la ropa  
Enséñame rodillas y abre boca  
Ah

Baby, get your vibe up, pour up another cup  
Girl, I wanna get you all alone out the club  
Get up in my ride, I wanna show you love

Dance with me through the ni-i-i-i-ight  
Back to mi casa, baby, sli-i-i-i-ide  
Let me make you feel alri-i-i-i-ight
