

Indecision

XXXTentacion

The way I feel now
Just can't compare
To where we left off
To where, to where, to where, to where
I said
The way I feel now
Just can't compare
To where we left off
To where, to where, to where

I quit!
I quit! This fucking indecision!
I quit! This fucking, I quit!
I quit!
I quit!
I quit!
I quit!
I quit!
I quit!
I quit!
I quit!
