

Alone

XYLØ

Inside, I'm an outsider
Got a big smile on my face
Guess I'm a good liar, and I
Hide in all black attire
My anxiety is building to an empire

And I'm so A-L-O-N-E (Oh no!)
Even when there's people around me (Yeah)
Boys and girls by my side
Every night
So I got no reason to cry (Don't cry)

Why do I feel so alone
When I'm lying next to him?
Fucking with the boys to fill the void
And I'm trying to
Pretend that everything's OK, oh
Just another day of
Trying to ease the pain, but
Honey, why?
Why do I feel like I'm at my own party
But I'm still so alone
I feel so alone

My heart stings like a needle (Achy)
I'm hanging on by a thread
With all the lonely people
Fuck this movie, I'll wait for the sequel (Yeah)
I'm different, but we created equal (So cool)

And I'm so A-L-O-N-E
Even when there's people around me I
Boys and girls by my side
Every night
So I got no reason to cry

Why do I feel so alone
When I'm lying next to him?
Fucking with the boys to fill the void
And I'm trying to
Pretend that everything's OK, oh
Just another day of
Trying to ease the pain, but
Honey, why?
Why do I feel like I'm at my own party
But I'm still so alone
I feel so alone

All lonely outsiders need each other
All lonely outsiders need each other

Why do I feel so alone
When I'm lying next to him?
Fucking with the boys to fill the void
And I'm trying to
Pretend that everything's OK, oh
Just another day of

Trying to ease the pain, but
Honey, why?
Why do I feel like I'm at my own party
But I'm still so alone
(I'm so, I'm so alone)
I feel so alone
(I'm so, I'm so alone)

(I'm so, I'm so alone)
(I'm so, I'm so alone)
(I'm so, I'm so alone)
(I'm so, I'm so alone)
