

Freak

XYLØ

Okay, ready?

1, 2, 3

If you're feeling down then, baby, listen up
Can't sit with them? Well, you can sit with us
If nobody is picking up the phone
Baby doll, give me a call

Every stupid thing that they have ever said (Like what?)
And every comment on the internet (Okay)
You know that really doesn't mean a thing
Baby doll, you got it all (You got it all)

Everybody thinks that I'm crazy
Baby, I don't care, I'm not listenin'
I'm a freak, it's fucking amazing
So come be free, be a freak like me

Ooh, ooh
Be a freak like me
Ooh, ooh
Be a freak like me

Lately I been doing what I want
I rock pajamas like it's Saint Laurent
And, baby, I don't worship anyone
But me, 'cause I'm a freak

Every stupid thing that they have ever said (Like what?)
And every comment on the internet (Okay)
You know that really doesn't mean a thing
Baby doll, you got it all (You got it all)

Everybody thinks that I'm crazy
Baby, I don't care, I'm not listenin'
I'm a freak, it's fucking amazing
So come be free, be a freak like me

Ooh, ooh
Be a freak like me
Ooh, ooh
Be a freak like me

Ooh, ooh
Be a freak like me
Ooh, ooh
Be a freak like me

I am a freak now, I'll always be, be a freak
I am a freak now, I'll always be a freak (You got it all)

Everybody thinks that I'm crazy
Baby, I don't care, I'm not listenin'
I'm a freak, it's fucking amazing
So come be free, be a freak like me

Ooh, ooh

Be a freak like me
Ooh, ooh
Be a freak like me

Ooh, ooh
Be a freak like me
Ooh, ooh
Be a freak like me
