

Ordinary

XYLØ

Is it weird that?
I wanna swerve into the traffic
Is it weird that?
All of the films I like are tragic
Is it weird that?
I'll pick up my phone and I wanna smash it
I'm always attracted to

All of these red flags and bad times
The truth hurts, give me white lies
Yeah, yeah, yeah

I don't want a life so ordinary, oh, no, no, no, no
Break the cycle, give me something scary, oh no
Everyday's like everyday's like everyday
I don't want a life so ordinary

No, no, no
No, no, no
I need unpredictable
No, no, no
No, no, no
Hear me screaming through these walls
Everyday's like everyday's like everyday
I don't want a life so ordinary (ordinary)

I can't help that, yeah, I'm a mess
A little bit different
I can't help that
And everyone talks, I dont wanna listen
I can't help it
I wanna hide, I wanna go missing
I'm always addicted to

All of these red flags and bad times
The truth hurts, give me white lies
Yeah, yeah, yeah

I don't want a life so ordinary, oh, no, no, no, no
Break the cycle, give me something scary, oh no
Everyday's like everyday's like everyday
I don't want a life so ordinary

No, no, no
No, no, no
I need unpredictable
No, no, no
No, no, no
Hear me screaming through these walls
Everyday's like everyday's like everyday
I don't want a life so ordinary (ordinary)

Everyday's like, -day's like everyday
Everyday's like, -day's like everyday
Everyday's like, -day's like everyday
Everyday's like, -day's like

No, no, no
No, no, no
I need unpredictable
No, no, no
No, no, no
Hear me screaming through these walls
Everyday's like everyday's like everyday
I don't want a life so ordinary (ordinary)

Everyday's like, -day's like everyday
Everyday's like, -day's like everyday
