

The End

XYLØ

Everybody's outside
A sunny day like a dream
But I'm not looking at the sky
Just my bedroom ceiling

And lately I've been sacrificing things I never knew I had
And I've nothing to paradise
But I'm trying harder than I've ever had

So I just ask myself
Will this all be worth it in the end?
Yeah, I'll just tell myself
This will all be worth it in the end
Worth it in the end

Ooh...

There's a plane taking off
An empty seat just for me, yeah
I gotta finish what I started
And then you'll see what I see

And lately I've been sacrificing things I never knew I had
And I've nothing to paradise
But I'm trying harder than I've ever had

So I just ask myself
Will this all be worth it in the end?
Yeah, I'll just tell myself
This will all be worth it in the end
Worth it in the end

Ooh...

I keep telling myself this will be worth it in the end
I keep telling myself this will be worth it in the end
I just ask myself
Will this all be worth it in the end?
Yeah, I just tell myself
This will all be worth it in the end
Worth it in the end

Ooh...

In the end, in the end
Ooh...
(Will all be worth it in the end?)
I keep on telling myself it'll be alright
Ooh...

I keep telling myself this will be worth it in the end
