

Yes & No

XYLØ

People say I'm indecisive
If one day I hate it, then the next I'll probably like it
Do I feel like being alone or with all of my friends?
Fuck, I don't know if I should stay or if I should go

I don't have the answers you need
Cause I live in the in-between
So if you put your bets on me
You better be down for anything

Cause I'm like yes and no
Wait, I don't know
I think I'm dying
Hold up, I'm invincible
Yeah, I'm like yes and no
Wait, I don't know
I pull you closer into me
And I'm pushing you away
Cause I'm like yes and no
Wait, I don't know
I think I'm dying
Hold up, I'm invincible
Yeah, I'm like yes and no
Wait, I don't know
I pull you closer into me
And I'm pushing you away

Don't know if I'm feeling happy
I'm kinda confused, I'm not in the mood to try and fix me
Do I feel like being alone or with all of my friends?
Fuck, I don't know if I should stay or if I should go

I don't have the answers you need
Cause I live in the in-between
Ah

Cause I'm like yes and no
Wait, I don't know
I think I'm dying
Hold up, I'm invincible
Yeah, I'm like yes and no
Wait, I don't know
I pull you closer into me
And I'm pushing you away
Cause I'm like yes and no
Wait, I don't know
I think I'm dying
Hold up, I'm invincible
Yeah, I'm like yes and no
Wait, I don't know
I pull you closer to me
And I'm pushing you away

Hi Paige, this is Liz
Would you give me a call, please?
Thank you

I think I'm dying
Hold up, I'm invincible
Yes, no
I pull you closer into me
And I'm pushing you away

Cause I'm like yes and no
Wait, I don't know
I think I'm dying
Hold up, I'm invincible
Yeah, I'm like yes and no
Wait, I don't know
I pull you closer into me
And I'm pushing you away
