

What Keeps Me Lovin' You

XYZ

Everytime I walk away it feels so wrong
Tell me why I never stay where I belong
Ohhh - Take me home
I dream of the town and the blue of your eye
Ohhh - Take me home
What keeps me loving you
It's easy to know when we touch
What keeps me loving you
It's easy to know when it's love
Evertime I said goodbye I can't be free
So tell me why I never try to let it be
Ohhh - Take my hand
Tomorrow will come if you hold me tonight
Ohhh - Take my hand
What keeps me loving you
It's easy to know when we touch
What keeps me loving you
It's easy to know when it's love
Take me home
Together we'er strong
What keeps me loving you
It's easy to know when we touch
What keeps me loving you
It's easy to know when it's love
What keeps me loving you
It's easy to know when we touch
What keeps me loving you
It's easy to know when it's love
Ohhh - What keeps me loving you
I dream of the town and blue of you eye
What keeps me loving you
What keeps me loving you
I get to loving you
What keeps me loving you
