

# Genesis

Xzibit

Fuck a record deal, I want my logo on the building  
Getting ready to kill everybody  
Got a bitch to like to see, and she got mirrors on the ceiling  
I don't wanna offend anybody get your identity from her nigga  
Off a television envision your body and you got your mind together (Together  
, together)  
Ssh, acting all innocent, I could be a everything  
You could be my genesis

It's-it's like you pray for it. It's pay forward  
What I'm on, they ain't got a name for it  
Wait for it and hit it  
Get it, I'm authentic  
I'm all in it, protecting the man, the brand, Xzibit  
First shooter, the who's who  
The way cooler in Vancouver, I ran through 'em  
American John Cougar, the genesis  
We can play it all, shoot the alcohol  
Play it by my own rules, I open my war wounds  
I know what you going through  
I been there, left that behind  
Digg, you be surprised what you find  
Past-time analytical, niggas sound pitiful  
Hands down, a criminal  
I'm on all type of chemical  
Identical, individual, say it like a syllable  
Say it how you wanna say it, you motherfucking imbecile  
Standing on my principles  
I never settle for the minimal or typical  
Don't make me push you out your physical

Fuck a record deal, I want my logo on the building  
Getting ready to kill everybody  
Got a bitch to like to see, and she got mirrors on the ceiling  
I don't want to offend anybody get your identity from her nigga  
Off a television envision your body and you got your mind together (Together  
, together)  
Ssh, acting all innocent, I could be a everything  
You could be my genesis

Been around the blockade, can't it me with the jigger jigger  
My nigga, I'm not playing games, I will crush you  
Fuck you, The Lord creates with no mistakes  
Shit in your cornflakes for breakfast, no breaks  
Major motion picture money  
Cut, print, check the gate, Warren G regulatin'  
5, 6, 7, 8 lines she don' did in the last 30 minutes  
I don't know how she alive, I don't know how I survive  
Niggas be living the lie  
But then expect you to buy it  
But nah, nigga we on it  
You phony, don't even try  
Hire security, get a dog  
You scared of the protocol  
I don't fuck with Adderall  
Xanax or none of y'all  
Fuck 'em all, they barf with a massive catalog

Analog, digital, my response timing is critical  
Pivotal action with the laws of attraction  
Renaissance, ambiance, letting off, we active

Fuck a record deal, I want my logo on the building  
Getting ready to kill everybody  
Got a bitch to like to see, and she got mirrors on the ceiling  
I don't want to offend anybody get your identity from her nigga  
Off a television envision your body and you got your mind together (Together  
, together)  
Ssh, acting all innocent, I could be a everything  
You could be my genesis

Ge-ge-ge-genesis  
You could be my genesis (Ge-ge-ge)  
I could be a everything, you could be my genesis  
Got your mind together (Ge-ge-ge-genesis)
