Normal

Xzibit

As we come on the air, more than 36,000 cases have been confirmed nationwide . It is also having a devastating impact on American business. Governor Gavi n Newsom on Monday announced a sweeping rollback of the states reopening

[Xzibit]:
Fuck that shit that you selling
I ain't asking or telling
I won't sit here another minute
I'm school bailing

Up out the house with the homies
I'm sick of all this shit on me
We just wanna feel normal
Shit ain't gotta be formal

Let's meet up at the Shaw, I heard they hoppin' that bitch
Six fours and deuce treys and Harleys with kits
Harlequins and all they friends is flashing they tits
It's like everybody getting released from doing a bid

They ain't gonna stop me from living', I'm gonna do what I want
I'mma compromise my respiratory system with blunts
Sticky icky like fly paper, that money from Trump
It cover half of the overhead I need for the month

All these bitches is lying, I don't believe nothing they saying
So I'm out here with my people in my low-low hanging
Tapping the switch on the left, about to pull off
Thinking I don't feel good than I

Oh! Aww what the fuck?! Cover your motherfuckin' mouth man! Damn. Yo you ain 't got no fucking mask?! Shit. Shit!

You know I miss have hoes coming over
The news says I can't get pussy 'til October
I ride with my niggas, we don't care about corona
We sipping cold Coronas, while we chillin' on the corner

Damn, there's only five years left
Because Wuhan China got us all in in check
Yep, fresh to death, a nigga feeling like a million
Sick of being inside, Demerick outta the building

I'm out here, getting money to get
I got places to be, I ain't worried about shit
Told my partner come swoop me, we gonna head to the strip
Said give her 45, she got her face on my dick

It was half past 9 when he pulled up to the crib
Hopped in the passenger side, dabbed him up real quick
He passed me joint, I took a big ass hit
I'm healthy and fit, I ain't gonna never get sick

Hey what's up guys, so look, this morning I got some test results back for c orona virus and it came back positive, and it sucks

Word got back we gotta cancel some shows

When it's coming back I'm guessing nobody knows
But I can't cancel the blow, they don't ask for a refund
I'm live on the Gram watch homie gonna stream one

Got Superbowl numbers it's dream son
Got a plan in your head like a rerun
You sit at home going stir crazy
You're crazy if you think I'm slowing down

Wait 'til it's you're turn baby
I'mma let it burn baby
None of your concern maybe
Stay up out my biz, but you bitches never learn baby

No need to put up any resistance, I ain't social keep your distance
I wanna go outside, it's alive in my neighborhood
You would never understand I'm feeling like I'll kill a man
Dab and I may kill a gram, Fergie wanna thrill a man [?]
Why you trying' to shake my hand?!
