

## Notified

Xzibit

What makes you think your malt liquor is bolder and brawnier than my malt liquor?

My friend here

Yeah, King T

Yeah (Yeah)

Yeah, yeah, yeah

Compton (Compton, Compton, Compton)

Yeah, let's get it

King T

Put me anywhere on this earth

I'ma fly my city flag, turn the dirt into the turf

Bitches get in line for this work

Everybody wanna shine

Watch your back and stay alert

I'm serious, it's murder in the first

Fuck a nigga and his feelings wearing halter tops and skirts

I ain't playing with you niggas

Tila coming off the porch

I got just one to make a million

So my watch is looking clean and my driveway looking chunky

You would think I'm making porn

All these bitches trying to fuck me

My coupe is from DeVille

My bourbon's from Kentucky

I will have you ducking bullets

If I miss you, must be lucky

You're friendly as a basket full of puppies

I'm a killer with a clown

Don't you ever interrupt me

More than likely what I'm saying could save your life

Listen close, 'cause I won't tell it twice

Where the gangsters at?

You, you, you, you have been notified

You better check in before you penalize

We don't separate or scrutinize

Everybody can get it

You only coming for weed

(Who?) What my niggas say?

(Who?) Any given game

(Who?) Get them out the way

(Who?) Smoke them on delay

You, you, you, you have been notified

You have been notified

Motherfucker, I've been here since the beginning

Collecting my shillings

Mastered the concept of winning

I have pillaged my neighbor's village

Roamed through catacombs

I decapitate the queen

Shit is cold in this game of thrones

Illest, realest alive homes

Homes, what you smoking on?

Finish business with full clips when it comes to this hub city

Crowned royal, these hoes ain't loyal  
Dump a whole half a thing  
Bring that bitch to a boil  
My niggas live and die for the soil  
Like we in the Middle East  
Fighting niggas for their oil  
Hoe-ass nigga, I got nothing for you  
Niggas used to bring there homies  
Now these niggas bringing lawyers  
Legendary county, California  
Where they run up on you  
Hit you with your people on a corner  
Lived by the sword, Ferrari or G4  
With an army full of soldiers for the war

Where the gangsters at?

If you treat it like a sport  
Be sure you make your own rules  
And be ready to handle some excitement
