

# Come With Me

Ya Levis

Ah mama mama bébé  
Mes yeux cherchent les tiens  
Avec toi, chaque jour, devient le meilleur des jours  
Nalotaka yo na pokwa  
Po na lukaka yo na ndoto  
Duku duku duku  
Yoka ndgue motema ezo beta

I want you, baby only you  
In the morning and the night, I missing you

Yeah, come with me, baby me no want to fight  
Baby, me just want to hold you, hold you real tight  
Come with me, make me one one one  
Come with me, make me one one one  
Si nos chemins se croisent à nouveau  
Nalaki bolingo ya seka  
Viens près de moi wah wah  
Landa no nga wah wah

I want you to come over to my place  
It's been a long, long time baby since I see your face

Na lingi yo  
Na tigami na nga yo oh oh  
Seyo nga na poni bo bele yo

Yeah, come with me, baby me no want to fight  
Baby, me just want to hold you, hold you real tight  
Come with me, make me one one one  
Come with me, make me one one one  
Si nos chemins se croisent à nouveau  
Nalaki bolingo ya seka  
Viens près de moi wah wah  
Landa no nga wah wah

Naaaa baby come stay with me now  
Don't waste, don't waste time  
I don't want no lies

Ozo ngenga lokola mwinda  
Nazo luka mwinda ah

Yeah, come with me, baby me no want to fight  
Baby, me just want to hold you, hold you real tight  
Come with me, make me one one one  
Come with me, make me one one one

(Come with me, make me one one one  
Come with me, make me one one one  
Come with me, make me one one one  
Come with me, make me one one one)
