

Second Summer

Yacht

When I first met you, I thought I'll forget you

Now when I wake up I rise for the sick of a poor, you've been nice to the sun.

A second summer of love and I wonder if this time the sun will I go out. A second summer of love and I wonder if this time the sun will I go out.

2 x Can you stand by your love? after push, push, put us the show can you stand by your man? after ship, ship hits this well.

I will look at you, will not go out

A second summer.. a second..will not go out. a second summer.. a second..will not go out.

Can you stand by your love after push, push, put us the show can you stand by your man after ship, ship hits this well.
