

I've been a bit full of this shit
I cannot confess to you now
I've been a bit held up with shit
Draining my energy left and right
I've been a bit doing things like this
Am I aware I'm sharing?
I've been a bit straight to say this
But I gotta go, I gotta go, I gotta go

I've been a bit full of this shit
I cannot confess to you now
I've been a bit held up with shit
Draining my energy left and right
I've been a bit doing things like this
Am I aware I'm sharing?
I've been a bit straight to say this
But I gotta go, I gotta go, I gotta go

I gotta go, I gotta go, I gotta go
I gotta go, I gotta go, I gotta go
I gotta go, I gotta go, I gotta go
I gotta go, I gotta go, I gotta go

I've been a bit full of this shit
I cannot confess to you now
I've been a bit held up with shit
Draining my energy left and right
I've been a bit doing things like this
Am I aware I'm sharing?
I've been a bit straight to say this
But I gotta go, I gotta go, I gotta go

I gotta go, I gotta go, I gotta go
I gotta go, I gotta go, I gotta go
I gotta go, I gotta go, I gotta go
I gotta go, I gotta go, I gotta go

I gotta go, I gotta go, I gotta go
I gotta go, I gotta go, I gotta go
I gotta go, I gotta go, I gotta go
I gotta go, I gotta go, I gotta go

I gotta go, I gotta go, I gotta go
I gotta go, I gotta go, I gotta go
I gotta go, I gotta go, I gotta go
I gotta go, I gotta go, I gotta go

I gotta go, I gotta go, I gotta go
I gotta go, I gotta go, I gotta go
I gotta go, I gotta go, I gotta go
I gotta go, I gotta go, I gotta go

I gotta go, I gotta go, I gotta go
I gotta go, I gotta go, I gotta go
I gotta go, I gotta go, I gotta go
I gotta go, I gotta go, I gotta go

I gotta go, I gotta go, I gotta go
I gotta go, I gotta go, I gotta go
