Always riding waves on the dancefloor
High off of life, yeah

Real sly feeling in your body
Head locked in
Soul-rooted kinda moment

Big smile, teeth out
Always riding waves on the dancefloor
High off of life, yeah

Real sly feeling in your body
Head locked in
Soul-rooted kinda moment
You know the right amount of space
To spread open your wings wide
Dance and shake your booty
From the left to the right, yeah
Dance and shake your booty
From the left to the right, yeah

You know the moment when everything feels right
All the efforts you've gave and made have been recognized, yeah
Come over here, baby
Let's have a good time, yeah
Come over here, baby
I wanna see you shine, yeah
Come over here, baby
Head-banging all night
Come over here, baby
Find me in the front right
Come over here, baby

Let's have a good time, yeah
Come over here, baby
