Let's get it done, I want it done, it's our freedom
(Let's get it done, let's get it done)
To have some fun, to let it out
(I wanna, wanna be a mess)
Let's get it done, I want it done, it's our freedom
(Let's get it done, let's get it done)
Scream and cry and let it out

Isn't it so weird how we learn to
Pass down what we didn't want to do?
Isn't it our mission this life to
Break the cycles, make it make you mend the cycles?

Let's get it done, I want it done, it's our freedom
(I wanna, wanna be a mess)
(Nuni busyeo busyeo busyeo busyeo)
To have some fun, to let it out
(I wanna, wanna be a mess)
Let's break it up and build it from what's grounding us
(I wanna, wanna be a mess)
(Nuni busyeo busyeo busyeo busyeo)
Scream and cry and let it out

Maenyeon 12wol 31il

Isn't it a form of love to be
Asking yourself how you want to be?
In our reflections, the answers to
Break the cycle, make it make you mend the cycles
