

## Feel It Out

Yaeji

Just a dream, I've a woken up  
More [?]  
Gotta feel it out  
But it's hazy, I need coffee  
Shit is crazy, shit is Yaeji  
Gotta feel it out

When you see that is more than one thing  
Open up in a new way  
Open up on Monday  
See that there is more than one thing (uh-huh)  
Open up in a new way  
Open up on Monday
