

# Guap

Yaeji

All black, from head to toe  
You can't see me inside the club  
All I wanna do is sip on the bird  
The Goose from the bottle, ya heard

Every time I walk in, I feel the same  
In the shadows, life is just a game  
But there's a lot of things that I cannot try  
In the German whip  
Counting all my guap

All black, from head to toe  
You can't see me inside the club  
All I wanna do is sip on the bird  
The Goose from the bottle, ya heard

Every time I walk in, I feel the same  
In the shadows, life is just a game  
But there's a lot of things that I cannot try  
In the German whip  
Counting all my guap

All black, from head to toe  
You can't see me inside the club  
All I wanna do is sip on the bird  
The Goose from the bottle, ya heard

Every time I walk in, I feel the same
