

NEVER SETTLING DOWN

Yaeji

I'm never settling down
I'm never touching ground
I'm never backing out
I'm never shooting the shit
I'm never having to admit
That I swallowed my feelings

I'm never settling down
I'm never touching ground
I'm never backing out
I'm never shooting the shit
I'm never having to admit that I

I'm never settling down
I'm never touching ground
I'm never backing out
I'm never shooting the shit
I'm never having to admit
That I swallowed my feelings
